

Unit 17

Part 3

The Challa bread is so fresh, so tasty!

The soup is very tasty.

The soup is excellent.

This is a chicken soup. It reminds me my mother's soup, in Russia.

When my parents come next year to Israel, we will sing together Saturday's songs.

Certainly they sit now next to the table, light the candles and tell Saturday's stories.

Grandpa most probably says: Next year in the rebuilt Jerusalem!.

How do you know?

I know.

The food is really tasty.

How did you cook the soup?

It is a secret. This soup was cooked by my grandmother. When my mother marries, she gave her this recipe for a present.

When I married, I got this recipe from her.

And I will get the recipe from you.

Do you plan to get married?

No, I simply like this soup...
